

## 2017 Iota Sigma Pi Outstanding Young Women in Chemistry Award Winners

The following students from all over the Continent of U.S.A. were awarded the coveted Young Women in Chemistry Award for the school year 2017. They were nominated by high school chemistry/science teachers, guidance counselors, or principals. These women were graduating seniors with a grade point average (GPA) of 3.8/4.0 or higher, with high academic achievement in Chemistry. The award includes an official certificate issued by Iota Sigma Pi, and the awardee recognized in the IOTAN, the publication of the Society.
